

OVERVIEW

The faculty annual review process started in LSU Elements in 2022. You can access any of those reviews from your Elements profile to download, print, and use as needed.

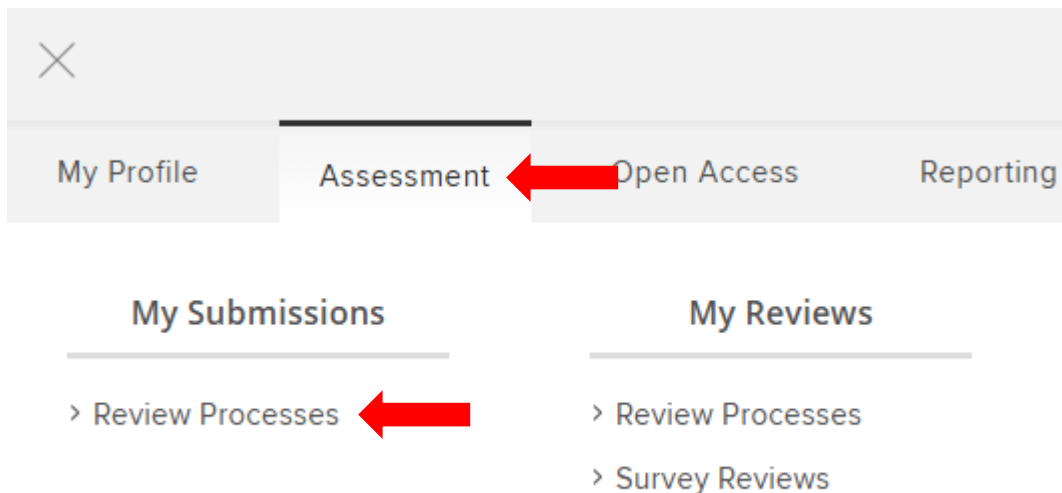

If you are a dean, associate dean, or department chair, you may need to view your faculty's past annual reviews. First, you must impersonate that faculty member by following the steps on this [guide](#).

ACCESSING ANNUAL REVIEWS

- From the homepage of your LSU Elements account, click on the **menu** icon in the top left.

- Move to the **Assessment** tab and click **Review Processes**.

- From here, you can see all your previous annual reviews. Click the **View** button for the review you would like to download.
